Member Policies and Procedures

The Bartlett Senior Center (the Center) is a recreational facility within the City of Bartlett Parks and Recreation Department. It is the right and responsibility of the department to set policies and procedures to protect the City of Bartlett, the Bartlett Senior Center and to ensure the safety of persons using the Center. These policies and procedures are in addition to any local laws, governmental policy or regulation that may govern the use of public buildings.

The Facility Manager is responsible for establishing operating rules and program policies for the overall benefit of older adults utilizing services and others who use the Center. The Facility Manager is responsible for reviewing and handling member and participant complaints, ensuring the freedom for all members and participants to enjoy the Center, and to guarding the well-being and safety of members and participants.

Parking is not permitted in no parking zones or unauthorized areas surrounding the building.

Violators of our parking policies will be asked to move their vehicle, or the vehicle will be towed at the owner’s expense.

- f. **Classroom Availability** – Due to scheduled activities, as well as having a limited number of classrooms, participants desiring to have a room for an unscheduled activity are not guaranteed a space. Even though a room may be vacant at the time of the request does not mean the space is available, as it may be scheduled and already setup for an upcoming activity.

Tables and chairs are set up in accordance with guidelines for any required or requested social distancing, the needs of the activity or the instructor’s setup requirements.

If participants in a classroom need additional tables and chairs, or need the setup changed, please contact a staff member. Members/participants should not attempt to move furniture or setup tables and chairs. Our staff will gladly assist with these requests.

- j. **Lost & Found** – If you have lost or misplaced a personal item, please check with the staff to see if it has been turned in. Any items left behind that do not have identifying contact information on it for staff to contact the member will be discarded. If you are contacted about an item left behind, it must be picked up by close of business on the next business day.

For items that pose a hygiene issue, such as used cups or dishes, handkerchiefs, etc., staff members will inquire if the item(s) belongs to a member present, and if it is not claimed it will be placed in the trash that same day. Personal items are not to be stored at the Center.

3. Health and Safety

- b. **Emergency Exits** – The Center has five doors for evacuating the building. Members, instructors and guests should only use the front door of the Center to gain entry into the building.

Emergency exits should not be propped open for any reason, nor should they be opened to allow members or participants to gain entry to the building. An alarm will sound if an emergency exit door is opened.

If another participant has been involved in any of these events, do not move them, do not offer water or food, or guess at needed medical attention.

It is Center policy for staff members to attend to these types of events, and to call 911. Moving a participant after an accident, injury or health event can cause more harm or aggravate the condition. The participant has the right to refuse treatment after the professional medical staff has arrived at the scene and assessed the situation.
